

SAHRA Information – Aug 7, 2015

Scam Alert

SAHRA has been advised that a young man who did a scam return a few years ago, supposedly collecting pledges for the Terry Fox Run, is back at it again. He will state that he lives in the area (often a non-existent address) and that he had gone to Northern Secondary. May show a list of neighbours that have already donated. A pleasant young man, noticeably oblong face; sandy, slightly curly short hair; about 5 foot 9 or 10; slim build. May arrive on a black bicycle with silver rims. Would suggest that you decline to donate and when he leaves call 32 Division to report the incident at **416-808-3200**.

Break-In Alert

SAHRA has been advised of a number of break-ins recently in our area. Please take special care securing your home and please keep an eye out on the properties of your neighbours. If you see anything suspicious, call 32 Division at **416-808-3200**. Attached is the article Focusing on Security which was published in the Winter 2013 – it's all applicable as well to this summer period.
