

SAHRA Information June 23, 2015

Environment Day on Saturday, June 27 from 10:00 – 2:00 p.m.

A message from Councillor Carmichael Greb:

I am pleased to inform you that our annual Community Environment Day is coming up next **Saturday, June 27**, from **10:00-2:00**, at **North Toronto Memorial Arena** (north side of Eglinton Ave. W between Avenue Road and Yonge Street). This event is a great way to finish up your spring cleaning and meet your neighbours in our ward.

At the event, you will have the opportunity to purchase a new Green Bin and Kitchen Container, and pick up leaf compost. You will also be able to drop off computer equipment, audio/visual equipment, and household hazardous waste for appropriate disposal. Finally, there are several items that you can donate to be reused in local schools and by Goodwill. For a complete and detailed list of items that you can pick up and drop off at our Community Environment Day, please visit the following link: <http://carmichaelgreb.com/wp-content/uploads/2015/06/Environment-Day-Flyer.pdf>.

Help us make a difference! I look forward to personally greeting you and your family next Saturday!

Best Regards,
Councillor Christin Carmichael Greb
Ward 16
