“Please slow down” Signs

With the start of the school year, we want motorists to slow down. City of Toronto ‘slow’ down’ signs are still available to residents. The signs feature two children playing with the words “Please slow down”. Please contact Councillor Carmichael Greb at councillor_carmichaelgreb@toronto.ca if you would like to receive one of these signs.

Toronto Local Appeal Body (TLAB)

On March 29, 2017, City Council passed Toronto Municipal Code Chapter 142 creating the Toronto Local Appeal Body with an effective date of May 3, 2017.

Starting May 3, 2017, most appeals from the Toronto Committee of Adjustment will go to the Toronto Local Appeal Body (TLAB) instead of the Ontario Municipal Board (OMB). All appeals are still to be filed with the Manager & Deputy-Secretary Treasurer, Committee of Adjustment and must be filed within the appeal period on the Notice of Decision.

Appeals filed before May 3, 2017 will stay with the OMB. Appeals filed on or after May 3, 2017 will go to the TLAB unless there is a related appeal to the OMB for the same matter.

The ‘Public Guide’ and “Rules of Practice and Procedure’ are available on the TLAB website.

Upgrades to Woburn and Brookdale Parks

Councillor Carmichael Greb has reported that new upgrades to Woburn and Brookdale Parks are scheduled to be completed in 2018-2019. There will be improved connections between Brookdale Park and Woburn Park including paved pathways throughout both parks. More lighting, benches, picnic tables, signage and water bottle filling stations will be added to both parks.

The installation of outdoor fitness equipment at Woburn Park is also being considered. Councillor Carmichael Greb (councillor_carmichaelgreb@toronto.ca). would appreciate your opinion on whether the equipment should be installed in one location next to the playground at Cranbrooke and Barse OR throughout the park which extends from Glengarry Ave to Cranbrooke Ave.
