Final Report on City of Toronto Long Term Waste Management Strategy

The final Waste Strategy is now complete and will be considered by the Public Works and Infrastructure Committee (PWIC) at their meeting on Monday June 20, 2016 and City Council at their meeting of July 12-14, 2016.

[Click here to view the report online including attachments with the Final Waste Strategy document and Public Consultation Report.](#)

To request to speak at PWIC or to submit comments click on the buttons at the top of the web page linked above and follow the steps to notify the City Clerk.

Thank you for all of your participation and support in developing the City of Toronto's Long Term Waste Management Strategy.

For more information about the Waste Strategy contact: 416.392.3760 or
