

**Tracking Status**

- This item will be considered by North York Community Council on February 21, 2018. City Council has delegated final decision-making authority for the subject of this agenda item. The North York Community Council will make the final decision on this item unless any amendments it approves exceed its authority.

**North York Community Council consideration on February 21, 2018**

NY28.14	ACTION		Delegated	Ward:16
---------	--------	--	-----------	---------

**Speed Hump Poll Results - Elm Road**

**Origin**

(January 23, 2018) Report from the Acting Director, Transportation Services, North York District

**Recommendations**

The Acting Director, Transportation Services, North District, recommends that North York Community Council:

1. Authorize the installation of traffic calming on Elm Road, between Joicey Boulevard and Felbrigg Avenue.
2. Authorize the speed limit reduction from 40 km/h to 30 km/h on Elm Road, between Joicey Boulevard and Felbrigg Avenue, when the speed humps are installed.

**Summary**

This staff report is about a matter that Community Council has delegated authority to make a final decision, provided that it is not amended so that it varies with City policy or by-laws.

Transportation Services is reporting on the results of the traffic calming poll undertaken on Elm Road, between Joicey Boulevard and Felbrigg Avenue. The minimum response rate was achieved and the majority of the respondents were in favour of installing speed humps on the subject section of Elm Road.

The poll results support the installation of traffic calming measures on Elm Road in accordance with the City of Toronto's traffic calming policy.

**Financial Impact**

The estimated cost for installing two speed humps on Elm Road is \$8,000.00. The installation of speed humps on Elm Road would be subject to availability in Transportation Services 2018 Capital Funding and competing priorities.
