

SAHRA Information – Nov 5 2018

Traffic Advisory

Construction is currently underway for upgrading of storm and sanitary sewers on Glengarry Avenue at Avenue Road. Traffic in this area is already complicated due to the traffic volumes at the corner of Lawrence and Avenue. The construction on Glengarry combined with the construction work at 1560 Avenue Road are making the area even more difficult to navigate. Please proceed with caution.

There will be periodic closure of Glengarry Avenue from Avenue Road to west of the Shoppers' Drug Mart access ramp from approximately Nov 6 to 15th, subject to weather. There will be no meter parking available on this part of Glengarry during this period. Periodically, there will be no access from Glengarry into the Shoppers' Drug Mart's parking lot at the north end. However, you can still access the parking lot from Lawrence Avenue West.

The work will continue along Glengarry west to Bathurst and is expected to finish by Sept, 2020.

Works hours are Monday to Friday 7:00 a.m. to 7:00 p.m. with after hours and weekend work as required.
