Pizza Delivery Scam

The Toronto Police are making the public aware of an investigation into Pizza Delivery Fraud occurring within the GTA. It is not specific to our neighbourhood but it's good to be aware of the scam and how it works. Since mid-July Toronto Police, as well as neighbouring Police Services in the GTA, have been receiving reports of incidents in which debit cards have been compromised by persons posing as pizza delivery drivers. The police are seeking the public's assistance identifying three men believed to be involved in this investigation.

It is reported that:

- pizza orders, which were placed for delivery, were intercepted by a group of at least three male suspects
- the suspects would then deliver the intercepted pizza to the intended customers
- the customers would in turn pay using their debit card to the hand held debit device which was presented to them
- during the transaction the card of the unsuspecting customer would be compromised, and the suspects would switch the debit card with a similar looking card
- the suspect would leave the home, attend a nearby automatic banking machine, and conduct fraudulent banking transactions

Anyone with information is asked to contact police at 416-808-7300, Crime Stoppers anonymously at 416-222-TIPS (8477), online at www.222tips.com, online on our Facebook Leave a Tip page, or text TOR and your message to CRIMES (274637).

Faded Signs on our side streets

SAHRA noticed that some of our No Parking/Standing/Stopping signs are faded/illegible so we did an inventory of faded signs on all the SAHRA inner streets. These were then submitted to Councillor Mike Colle's office who submitted requests to the City for the signs to be replaced. We are happy to report that faded signs reported on Belgrave and Felbrigg have been replaced and requests have been submitted for replacements on Wilson, Brooke, Ridley, Apsley, and Elm/Esgore. These replacements should be done by the end of August.
