

SAHRA eBlast – Nov 11 2019

Safety Alert - Swarming

On Friday night (Nov 8th) around 11:00 p.m., a group of teenagers were at a table in McDonalds. They noticed 4 teenagers walking north on Avenue Road and left the restaurant. Outside they approached the 4 teenagers and began yelling at them - 3 began running north and one was swarmed. He was punched in the face, beaten up and his backpack was stolen. Three Police cars arrived in the area and based on a witness account the Police caught one or more of the teenagers in the vicinity of Avenue Rd and Brooke.

These steps from Toronto Police can help keep you and your children safe:

- DON'T RESIST a robbery. When asked for phones & wallets, purses etc., give them up. They are only property - your safety is the priority.
- Take notice of the descriptions of the suspects, what they are wearing, what they say, possible "accents", how they approached, where they went after the robbery (direction of travel) along with possible vehicle descriptions.
- CALL POLICE IMMEDIATELY 9-1-1
- If there are people around when thieves approach, YELL FOR HELP and make noise to attract attention to you.
- Whenever possible, walk in groups or with at least one other person.
