Development

Avenue Road: Continue existing activities supporting: Village feel, Avenue Road Avenue Study, limited height (biggest concern), limited density, concern of increased traffic

- Contact councillor's office:
 - Too many condos; concerns of small businesses not being able to thrive
 - Shared responsibility between City and business owners, leaning towards business owners: Keeping area clean, green spaces / flowers, street furniture
 - Work with councillor on in-progress Avenue Road traffic study
 - Raise issues of traffic, speeding, parking and rolling stops (Avenue Road and residential areas)

Residential: Dislike of large houses

- Continue addressing proposals at Committee of Adjustment
- Address issue with Councillor and Planning

Enhancing the environment and social life

- Neighbours' Night Out
 - Relocate the event each year
 - Consider children's group performances
- Fall Fest on Avenue Road
 - Work with the Councillor (but he needs business owner involvement)
 - Annual event (not in 2020 due to COVID-19)
 - Expand scope south to Old Orchard or further
 - Earlier planning
 - More advertising
