A screenshot of the SAHRA website. At the top, the SAHRA logo is on the left, and the text "South Armour Heights Residents' Association" is on the right. Below this is a row of colorful house icons. A blue navigation bar contains links: HOME, WHO WE ARE, OUR NEIGHBOURHOOD, INFORMATION (highlighted in green), PLANNING, DEVELOPMENT, NEWS, EVENTS, and MEMBERSHIP. The main content area features a "COVID-19 Information" section with a sub-link for "Ontario COVID-19 Information" dated November 3, 2021. A large blue banner below this reads "COVID-19 VACCINES" with an image of two vaccine bottles and a snowflake icon. The text below the banner states: "Phase 2 of Ontario's vaccination plan begins in late March. While the province is opening their booking portal on March 15, it is also useful to monitor Toronto Public Health (see links below), as each Health Unit also has a vaccination rollout plan. During this phase, focus is on vaccinating persons age 60 and older. Continue Reading". On the right side, there is a search bar, a link to the "April 2022 Newsletter" with a "Subscribe" button, a link to "COVID-19 Information" with a "COVID-19" button, a link to "2020 Survey Results" with a "Surveys" button, and a list of "Recent SAHRA EBlasts" including "SAHRA eBlast - April 6 2022 Multiplexes", "Garden Suites Call to Action", and "SAHRA eBlast - Community Consultation". At the bottom right, there is a link to "eBlast ARCHIVE...".

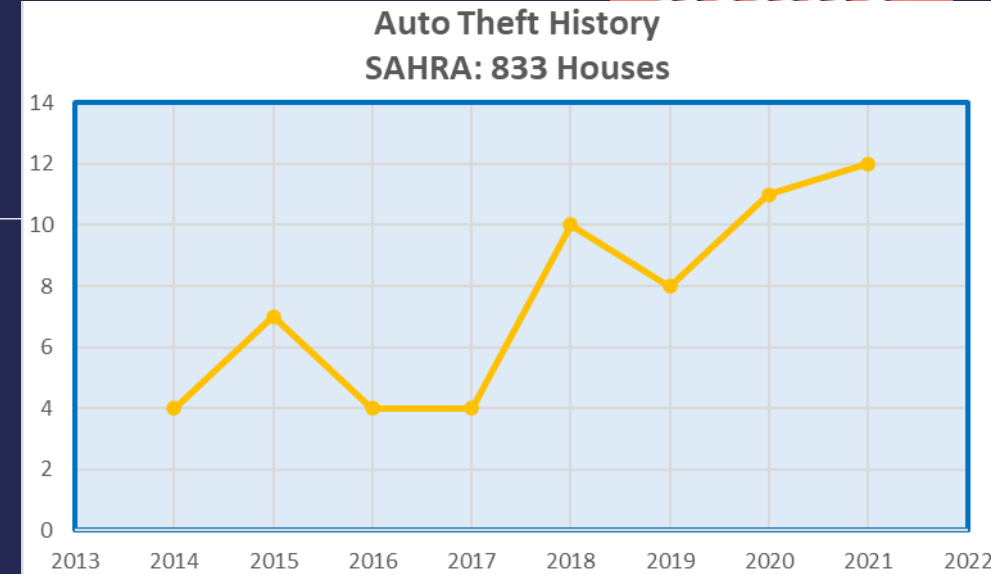

Report for 2021

Community safety

◦ Crime

- Primary concern: Auto theft
- 32 Division Auto Theft Suppression Team established
- Auto theft prevention techniques
 1. Park in the garage, if possible
 2. Strategically park vehicles in the driveway (less valuable vehicle blocking more valuable)
 3. Use a Faraday box/pouch to store your key fob – even when shopping
 4. Never leave your vehicle running and unattended
 5. Install an anti-theft system (such as a steering wheel locking device)
 6. Install a device which blocks access to the vehicle's Onboard Diagnostic Port
 7. Cover your VIN (Vehicle Identification Number) so it isn't viewable through the windshield
 8. Install a flood light to brighten your driveway
 9. Point cameras in the direction of your driveway
 10. Avoid leaving valuables in the vehicle
 11. Avoid leaving garage door remotes in your vehicle overnight

South Armour Heights Residents' Association

Councillor Mike Colle Questions

Questions asked to Councillor Colle

1. **Motions to create a Park from the Roe Bus Loop, perhaps by 2024; use of S37 funds; and “alternative routing of buses”.**

Why were these motions made when the local Residents’ Associations have clearly stated their opposition to these issues?

Questions asked to Councillor Colle

2. Condo developments to date and anticipated; plans are not respecting Avenue Road Avenue Study built form bylaws, more so with each additional application.

Is the Avenue Road Avenue Study going to be abandoned as the 'plan' for Upper Avenue? If so, what is the new 'vision' or 'controlling plan' for Upper Avenue?

Questions asked to Councillor Colle

3. Upper Avenue suffering as a vibrant 'main street' before and since COVID. More services than retail. Little interest in a BIA.

What is your vision and plan for helping Upper Avenue revitalize to be the 'main street' for our Neighbourhood?
